#### HONORING THE SERVICE OF JON ASHER

#### HON. DIANA DeGETTE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 28, 2023*

Ms. DeGETTE. Mr. Speaker, I rise today to honor Jon Asher.

As the Executive Director of Colorado's Legal Services, Jon has dedicated his life to helping others and ensuring that Colorado's legal system is accessible to all those who need it, regardless of their ability to pay.

I have known and admired Jon for over 40 years. The Colorado legal community will agree that he's not just one of Colorado's greatest legal minds, he's also one of the most selfless.

After graduating from Harvard Law School in 1971, Jon moved to Greeley, Colorado where he began his legal career as a staff attorney with Colorado Rural Legal Services. Little did Jon know that this was the start of a long career of service.

His talent and intellect were evident to all those who worked with him, and Jon quickly rose through the ranks to become head of the Legal Aid Society of Metropolitan Denver in 1980—a position he would hold for the next 18 years.

When Colorado's three legal aid societies decided to come together to form one statewide legal aid program in 1999, Jon was the easy choice to run it; and it was then that he became the first Executive Director of the newly formed Colorado Legal Services—a position he has held ever since.

Under Jon's leadership, Colorado Legal Services has become one of the Nation's premier legal aid organizations—with a staff of more than 80 attorneys and 55 paralegals in 13 regional offices across Colorado.

Jon's reputation as a tireless and effective advocate for low-income and disadvantaged individuals in our state is seen in the quality of the work that Colorado Legal Services has done and continues to do to this day.

Throughout his career, Jon has been recognized, both in Colorado and throughout the Nation, for his talent and dedication to providing those who otherwise couldn't afford it with the quality legal representation they deserve. While his professional achievements are far too many to count, those who know Jon will agree that it's not the awards or recognition that drove him throughout his career—it's the thousands of people he's been able to help along the way.

After more than 50 years of dedicating himself to providing top-notch legal assistance to seniors and low-income individuals across our state, Jon announced recently that he plans to retire as the head of Colorado's Legal Services this summer. While there's no doubt that he will certainly be leaving behind some big shoes to fill, the organization he's helped to build from the ground up has never been stronger, and its ongoing success is all but guaranteed thanks to the tireless work that Jon and his colleagues have put into it over the years.

On behalf of the people of Colorado's First Congressional District, I want to express my profound thanks to Jon for all he's done for our state over the years—and his tireless efforts to help so many people along the way. And I want to wish him the very best during his much-deserved retirement.

#### COMMEMORATING CARES 50TH ANNIVERSARY

#### HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 28, 2023*

Mr. BILIRAKIS. Mr. Speaker, I rise to commemorate the 50th anniversary of a tremendous asset in the communities I serve. For more than 50 years, CARES has been working to create a caring community committed to strengthening lives and creating positive futures for seniors in Pasco and Hernando counties. CARES serves people from all walks of life through their personal journey of aging and offers a broad spectrum of services and programs to help seniors live as they wish—Independently in their own homes.

CARES In-Home Health delivers assistance to help low-income, frail elders with basic services to ensure they are able to maintain their independence in a safe manner. CARES Senior Centers help elderly individuals stay connected to their world and their community through social activities, computer learning, educational programs, wellness initiatives and recreational activities. Research has shown that remaining active and engaged is positively correlated with living a longer, healthier life and CARES helps to make that a reality for many.

CARES also provides critical respite services through its Adult Day Care programs. Through this initiative, caregivers have the peace of mind of knowing their loved ones are supervised while they take some personal time away from caregiving. And, CARES runs a senior health clinic to serve those who are 55 years and older, low-income, and uninsured. It was my privilege to advocate for this tremendous agency by sponsoring a community budget request to secure \$2.5 million to for CARES to expand its footprint in the area. These funds will be used to purchase land and build an 8,000 square foot "One Stop Senior Center." CARES anticipates promoting quality of life and independence for frail and vulnerable seniors and their families at this center. A safe environment where the lives of senior citizens and their caregivers and families of West/Central Pasco will be enriched by the existence of a "One Stop Senior Center" geared to assist these individuals with in-home and community care to remain living inde-

pendently in their communities and prevent institutional/nursing home placement. Other direct services will include Adult Day Care facility, Case Management to provide information and referrals; mental health counseling and a FREE Health Clinic for non-invasive medical care.

As we celebrate this important milestone in CARES history, we look forward to another 50 years of outstanding service to local seniors throughout our community.
